How will **CA-VA** add value to your preparation?

DECLUTTERED

Help you streamline your preparation

DIFFERENTIATED

Content to stand out among the peer group

DISCIPLINED

Strategically curated programme

In-Depth Current Affairs Coverage

The 2 month program ensures that you have comprehensively covered **issues of global and national importance**, essential for CSE examination.

Graded Assessment Tests (GAT)

Graded Assessment Tests to help track your progress, identify strengths, and reorient your preparation effectively.

Theme-Oriented Syllabus Coverage

Our curriculum is structured around key **themes covered under syllabus keywords**, helping you connect concepts and apply them effectively in examinations.

Live Answer Writing

Students will practice **live answer writing** in each class to continually test their ability to apply learned concepts in a fixed time frame.

Unique Trademark Handouts

Our concise handouts are packed with **essential information, diagrams and schematics** perfect for quick revisions and easy content retention.

Paper Neutral Content

Our content is **paper neutral** ensuring that you can use the value addition across all GS, Essay and even certain Optional Papers.
