# SYLLABUS: GENERAL STUDIES-I

## 1. Current Events of National and International Importance

- Candidates are expected to have knowledge about significant events and issues of national and international relevance.

## 2. History of India and Indian National Movement

- Emphasis on a broad understanding of social, economic, and political aspects of Indian history.
- In the Indian National Movement, candidates should develop a synoptic view of the nature and character of the freedom struggle, growth of nationalism, and attainment of independence.

## 3. India and World Geography – Physical, Social, and Economic Geography of India and the World

- In World Geography, only a general understanding of the subject will be expected.
- Questions on Indian Geography will cover physical, social, and economic dimensions.

## 4. Indian Polity and Governance

- Constitution, Political System, Panchayati Raj, Public Policy, Rights Issues, etc.
- Questions will assess knowledge of India's political system, including Panchayati Raj and Community Development, broad features of economic policy, and aspects of Indian culture.

## 5. Economic and Social Development

- Topics include Sustainable Development, Poverty, Inclusion, Demographics, Social Sector Initiatives, etc.
- Candidates will be tested on issues and relationships between population, environment, and urbanization.

## 6. General Issues on Environmental Ecology, Biodiversity, and Climate Change

- No subject specialization is required; general awareness of the topics is expected.

## 7. General Science

- Covers general appreciation and understanding of science, including everyday observations and experiences, as may be expected of a well-educated person without formal specialization in any scientific discipline.

**NOTE:** Candidates are expected to have **general awareness about the above subjects with special reference to Uttar Pradesh.**
