PILLARS OF MENTORSHIP CUM ANSWER WRITING PROGRAM (MAWP) 2027

1. WEEKLY CONCEPT CLASSES

Each class is designed to:

- Build **clear understanding** of major thinkers, core concepts and key debates
- Establish **conceptual interlinkages** across topics and both papers
- Incorporate relevant **Current Developments** for contemporary relevance
- Covers, analyse and discuss all Previous Year Questions (PYQs) in detail to decode trends and **Examiner's expectations**
- Provide **High-quality Advanced** Notes prepared in class for quick, structured revision before the Actual Examination

This ensures that your preparation remains complete, structured and examination-oriented.

2. PRACTICE SETS

Discipline in answer writing is built through structured daily practice. After every class:

- **PYQ-based 3 Questions** are given from the topic taught.
- Same-day writing ensures **consolidation** of learning.
- Focus remains on **decoding UPSC Trends and recurring Themes**
- Transform preparation into performance through consistent writing stamina.

This consistent engagement sharpens **recall, improves clarity of expression, and builds writing stamina** — ensuring that preparation translates into performance.

3. MINI TESTS

Held once every 15 days, students undergo structured mini tests in exam-like conditions:

- Covers the week's topics for **intensive Revision**
- 10-question format to enhance **speed and precision**
- Focus on **high-probability** and PYQ-oriented themes
- Designed to improve **time management and answer structuring**

These weekly assessments build **competitive readiness** and ensure **steady performance improvement throughout the course**.

4. MODEL ANSWERS

Model answers help you:

- Standard, to-the-point exam ready answers to fetch extra marks
- **Decode directive words** such as Examine, Discuss, Analyse and Critically Analyse
- Learn structured **introduction–body–conclusion** formats
- Integrate **Scholarly Commentaries** naturally and effectively

The focus is to master the structure and presentation required in UPSC Mains.

5. STRATEGIC VALUE ADDITION & EXAM ENRICHMENT

Beyond concepts and tests, MAWP ensures advanced answer enrichment. This includes:

- Systematic incorporation of **current developments**
- Systematically fill critical gaps including important **data, facts, treaties, doctrines, reports and case studies** — especially in International Relations
- Constitutional provisions, amendments and landmark judgments
- **Ready-to-revise structured notes** for final-stage preparation

This pillar ensures that **no answer remains generic** and no topic remains incomplete.

6. ONE-TO-ONE MENTORSHIP

Personalised mentorship remains the core strength of MAWP.

Students receive:

- **Personalised Mentorship by Dr. Piyush Chaubey Sir**
- **Individual Feedback** and performance tracking
- **Zoom sessions** for doubt clarification and strategy building
- **Continuous evaluation** to identify strengths and improvement areas

This ensures that every student progresses with clarity, direction and accountability — not in isolation, but under guided supervision.

FAQs

1. What is the PSIR Mentorship cum Answer Writing Program (MAWP)?

MAWP is a mentorship-driven, Mains-focused PSIR program for UPSC CSE 2027 aspirants, designed to improve scores through concept classes, value addition notes, PYQ discussions, structured answer writing, testing, and personalised guidance.

2. Who should ideally join the MAWP program?

MAWP is designed for serious PSIR aspirants aiming for 300+ marks through structured answer writing and conceptual depth. It is ideal for students who struggle with answer presentation, lack conceptual clarity, feel their content is not Mains-ready, and need focused guidance to elevate their performance.

3. Is MAWP a foundation course?

No. MAWP is primarily a mentorship and answer-writing program focused on execution and Mains-level performance. However, for graduates, postgraduates in Political Science, or aspirants with a strong academic background, it can effectively serve as a foundation-cum-refinement program by aligning their knowledge with UPSC concepts, question demand, and answer-writing standards.

4. How is MAWP different from a regular PSIR test series?

Unlike a conventional test series that mainly focuses on answer evaluation, MAWP integrates concept clarity, continuous answer-writing practice, structured tests, and one-to-one mentorship. It is not just about checking answers — it is a transformation program designed to convert your knowledge into high-scoring Mains performance.

5. What kind of mentorship support is provided?

Students receive direct one-to-one mentorship from Dr. Piyush Kumar Chaubey, along with personalised feedback, performance tracking, and strategic guidance. Mentorship operates at two levels:

- Strategic Guidance – Refining answer approach, value addition, and overall Mains strategy
- Individual Refinement – Correcting individual gaps in articulation, flow, structuring, and presentation.

Sir remains accessible to his students throughout their preparation — often guiding them until final selection.

6. Can MAWP be taken after completing a PSIR foundation course?

Yes. MAWP is ideal after completing PSIR basics or a foundation course, as it focuses on Mains-level answer writing and performance enhancement.
